pesan presiden direktur.

president's statement

Kalimat ini menggambarkan perjalanan kami selama lebih dari dua dekade melayani kebutuhan material besi. PT. Sarana Indo Mandiri didirikan dengan satu tujuan yaitu membangun sebuah perusahaan yang tidak hanya dikenal oleh para konsumen, tetapi juga dipercaya karena integritas dan dedikasi dalam mengembangkan jenis dan kualitas produk yang ditawarkan.

Kami percaya diperlukan usaha lebih untuk melayani dan memberikan solusi efektif dengan menyesuaikan kebutuhan setiap perusahaan, baik lokal hingga berskala internasional. Tinggi tingkat kepuasan dan loyalitas

konsumen selama bertahun-tahun merupakan dorongan bagi kami untuk tidak pernah berhenti memberi yang terbaik.

Guna menunjang visi perusahaan, pengembangan sumber daya manusia merupakan faktor penting yang terus kami pelihara melalui pembekalan secara rutin untuk menciptakan lingkungan kerja yang berkualitas dan inovatif. Hal ini tidak akan terealisasi secara maksimal tanpa adanya kinerja tim yang kompak. Kami berkomitmen untuk terus memegang visi melalui pengembangan misi perusahaan secara konsisten.

”
**Dimulai
dengan visi,
dikembangkan
dengan
kerja keras.**

*Started with a vision,
advanced with
a hard work.*

Hadi Soemarsono
Presiden Direktur

This sentence describes our journey for more than two decades as the prominent metal supplier for customers across Indonesia. PT. Sarana Indo Mandiri was founded with a vision to build a company that is not merely known by the customers but trusted because of its integrity and dedication in developing the variety and quality of products offered.

We believe that applying efforts beyond customers' expectations are compulsory in serving and providing solutions, which are adjusted according to the different needs of each company, both local and international

scale. The growing level of customer satisfaction and loyalty for the past years has been motivating us to never stop giving our best.

To support our vision, we take human resource development as a crucial factor that has been constantly maintained through regular training for creating a healthy and innovative work environment, which is certainly will not be achieved without solid teamwork. We are committed to continuing to hold the vision through the consistent development of the company's missions.

sekilas perusahaan.

company's overview

PT. Sarana Indo Mandiri adalah perusahaan pemasok material besi dan baja terkemuka di Indonesia yang telah melayani konsumen sejak tahun 2006. Produk yang didistribusikan mencakup besi beton, wiremesh, wide flange, H-Beam, pipa, plat, baja ringan, kanal, dan lain-lain.

Selama lebih dari 15 tahun kami menjadi salah satu perusahaan yang di percaya oleh berbagai pihak sebagai salah satu pemasok material besi dan baja yang

berkualitas. Hal ini menjadikan kami lebih percaya diri untuk mengembangkan jangkauan proyek kami hingga ke seluruh pelosok negeri.

Konsentrasi utama kami melingkupi pengiriman barang hingga ke tujuan tepat pada waktunya. Penyediaan material kami sangat luas dan mampu melakukan pendistribusian material bangunan ke proyek-proyek di pulau Jawa, seluruh Indonesia, hingga wilayah internasional.

PT. Sarana Indo Mandiri is a leading steel material supplier company in Indonesia that has been serving consumers since 2006. The products distributed include concrete bars, wire mesh, wide flange, H-Beam, pipes, plates, mild steel, canals, and others.

For more than 15 years we have become a company that is trusted by various parties for high-quality steel materials. Our main focus is to deliver the material to the destination on

time. We have a broad range of materials and are capable of distributing them to projects in Java, Indonesia, and overseas.

Our main focus covers the delivery of goods to their destination on time. Our material supply is very wide and we are capable of distributing building materials to construction projects on the island of Java, throughout Indonesia, and to international areas.
